MAGAZINES

FOR EVERY HOME

THE

LEISURE HOUR

"It maintains its character among English magazines for the high quality of many of the engravings. We know no magazine of the kind that is generally better edited."—*Times.*

"We consider **The Leisure Hour** the most surprisingly good of all the sixpennies. It is thoroughly popular in character."—*Birmingham Daily Post.*

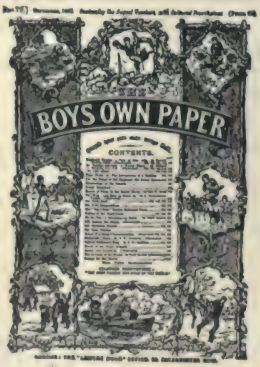
"New magazines come and go, but these remain with us; and as the years pass they seem to become fresher and more attractive than ever."—*Manchester Examiner.*

THE

SUNDAY AT HOME

"**The Sunday at Home,** with a large amount of safe fiction, contains many admirable articles. The coloured engravings are remarkable both for beauty and good taste."—*Times.*

"In everything that constitutes a magazine suitable for the Lord's Day **The Sunday at Home** takes the lead."—*Christian.*



"**The Sunday at Home** keeps up the high character which has secured for it a world-wide reputation amongst Protestant Christians of every denomination."—*English Churchman.*

THE

GIRL'S OWN PAPER

"**The Girl's Own Paper** contains stories, of course, but the editor rather lays himself out to encourage cultivated recreation, and to educate maidens for the duties of wives. There are pieces of music for the piano; and there are instructions which are very much to the point as to cookery and economical household management. Nor, we are glad to say, is the embellishment of the person neglected, and useful hints are given as to graceful and sanitary costume."—*Times.*

THE

BOY'S OWN PAPER

"**The Boy's Own Paper** has had a greater success than any other boys' paper of a high class published in England, and the healthy vigour and excellence of its stories, to say nothing of the instructiveness of its articles, are a model of what a boy's periodical ought to be."—*The Fortnightly Review.*

"It appeals directly to every youth, whether he loves fiction or field sports, and has a charm even for boys of maturer age."—*Daily Telegraph.*

Is one of the most complete works of the kind ever published in any part of the world. The articles are written by experts, and the book is so complete in all its parts that it may with confidence be recommended for its varied and useful information concerning Australia and Tasmania. It contains an enormous mass of facts which everybody ought to have at hand, and which, by a copious index, are easily accessible, and cannot be found in any other collected form. The English, American, and Australian press speak most highly of it, and the London "Times" transferred to its columns the statements of the Debts and Assets of Australia.

ITALIAN ASBESTOS

(SALAMANDER BRAND).

ITALIAN ASBESTOS AND INDIARUBBER WOVEN SHEETING AND TAPE.

This material continues to be in large demand for steam joints of every description, but is specially recommended for joints where there is any lodgment of water, hot and cold water pipes, &c., &c. GREAT DURABILITY is ensured by the use of ITALIAN ASBESTOS CLOTH, whilst the Indiarubber in combination renders the Packing more elastic and specially suitable for unfaced joints. The Sheeting is sold in continuous rolls up to 50 yards long, and 36 or 40 inches wide; any thickness from 1-16 inch.

OUR ITALIAN ASBESTOS AND INDIARUBBER WOVEN TAPE.

If rubbed on either side with plumbago or soapstone before use, the joint can be broken as often as necessary, this being an important feature where manhole and mudhole doors have to be frequently lifted.

The Tape is easily bent into proper position by hand in either large or small, round or oval joints, being specially made to admit of this being done without puckering. Sold in 50 and 100 feet rolls from ½ inch upwards wide, and ⅛ to ¾ inch thick.

PARTICULAR ATTENTION IS DIRECTED TO OUR

SPECIAL A1 QUALITY ITALIAN MILLBOARD.

OUR PURE ITALIAN ASBESTOS MILLBOARD

CONTINUES TO MAINTAIN ITS HIGH REPUTATION FOR ALL DRY JOINTS.

ITALIAN ASBESTOS ROLLED CLOTH PACKING,

WITH OR WITHOUT INDIARUBBER CORE.

This is similar to "Tuck's" Packing, except that it has the great advantage of being made of FINE ITALIAN ASBESTOS CLOTH instead of ordinary canvas, which is soon destroyed by the heat. Specially recommended for Marine Engines, Steam Hammers, Winding and Pumping Engines, and for Hydraulic Work.

ITALIAN ASBESTOS PATENT WOVEN PACKING, FOR GLANDS.

ITALIAN ASBESTOS SQUARE BLOCK PACKING,

with Indiarubber back,

FOR MARINE AND OTHER ENGINES.

CANADIAN ASBESTOS GOODS.

Whilst recommending ITALIAN ASBESTOS (Salamander Brand) as the best and most economical, notwithstanding its higher price, we can supply Goods of every description made from Canadian Asbestos.

CAUTION.—Buyers are cautioned against purchasing from ITALIAN Firms who import CANADIAN Asbestos into Italy, and offer it as ITALIAN.

N.B.—ITALIAN ASBESTOS IS THE BEST

for all steam purposes. See that you get it, and that it bears our trade mark, without which none is genuine.

SPECIFY UNITED ASBESTOS COMPANY'S ITALIAN ASBESTOS "SALAMANDER BRAND."
